

Louise Wischild, PhD

Keynote Speaker | Author | Survivor Advocate | Singer-Songwriter

Giving voice to survivor truth through story, music, and cultural transformation.

Signature Keynote

The Voice That Would Not Be Silenced ***Survivor Courage, Truth, and Cultural Change***

Louise explores the courage required to break silence around childhood abuse and the cultural transformation that occurs when survivors speak their truth.

Audience Takeaways

- *Understanding the dynamics that keep abuse hidden*
 - *Recognizing the power of survivor voices*
- *Supporting cultures of accountability and healing*

Additional Presentations:

- **Art as Medicine**
Healing Trauma Through Creative Expression
- **From Survival to Sovereignty**
Reclaiming Identity After Abuse
- **The Inner Landscape of Healing**
Working with the Inner Child, Inner Critic, and Embodied Voice
